

INTERNATIONAL ASSOCIATION OF MACHINISTS AND AEROSPACE WORKERS DISTRICT LODGE 19

PRESIDENT/DIRECTING GENERAL CHAIRMAN: KYLE LOOS

September 14, 2022

MEMO: National Negotiations.

TO: District 19 Staff and Membership.

I want to thank everyone who participated in the National Contract ratification and strike vote. The electronic voting was a success and allowed more access to the membership.

The voting has concluded, and the results are in. The Tentative Agreement has been rejected and the strike authorization vote was approved.

I also want to inform you that out of respect for the other Unions in the ratification process an extension has been agreed to until September 29, 2022, at 12 p.m. ET. This extension will allow us to continue to negotiate changes with the NCCC in hopes of achieving an agreement that the membership could ratify

Fraternally,

Kyle K. Loos
President/Directing General Chairman
