

## INTERNATIONAL ASSOCIATION OF MACHINISTS AND AEROSPACE WORKERS DISTRICT LODGE 19

---

Dear IAM District 19 Members:

As stated in our last update, IAM District 19 and the Grand Lodge have been with the NCCC all week in an effort to reach a new tentative agreement that improves on the previous Tentative Agreement. We will continue to meet with the NCCC and demand a strong contract.

The carriers have been somewhat receptive to making some needed changes. Your continued solidarity is the best way to send a strong message to the carriers as we continue our work at the negotiating table.

Thank you for standing together and being ready to take whatever actions may be necessary to secure the best contract possible. We will continue to keep you updated as we fight for the contract we deserve.

In Solidarity,

*District 19 Leadership*
